HOW TO SUBMIT AN ABSTRACT FOR DYNAMICS 2019

Visit CACCN at www.caccn.ca for full instructions and resources to assist in the preparation of the abstract. Be sure to read all instructions carefully prior to proceeding with your submission.

ABSTRACT GUIDELINES / SUBMISSION REQUIRED COMPONENTS

Abstracts for consideration at Dynamics 2019 should be of interest to critical care providers and high-acuity health care professionals.

Refer to the Dynamics Abstract Submission Process at caccn@caccn.ca for full details.

Language Abstracts may be submitted in English or French.

Title Ensure the title represents your intended content.

Population Focus Identify the patient population of the proposed oral session / poster

Purpose / Goals Provide a brief summary of the main message(s) of your oral session or poster presentation.

Learning Outcomes Provide two (2) to five (5) learning outcomes for your session.

Oral Session / Poster Description Oral and poster presentations must reflect current, evidence-based, evidence-informed best practice. Clearly describe the content of the presentation/poster, identifying key points and relevance to critical care providers and high-acuity health care professionals. Poster presentations should also include (as appropriate): scope, methods, theoretical framework, process, results and conclusions.

References A maximum of three (3) references to be submitted. All references must be formatted in APA 6th edition.

ABSTRACT SELECTION

All submitted abstracts will be peer-reviewed for relevance, quality and fit with CACCN's mission/vision and conference educational objectives. Decisions of the Conference Education and Evaluation Committee / Dynamics 2019 Local Operations Committee will be final.
