

# PRECONFERENCE EDUCATION DAY SUNDAY, SEPTEMBER 15, 2019

Sponsored by **Baxter**

## Understanding acute kidney injury (AKI) and continuous renal replacement therapy (CRRT).

This preconference educational session sponsored by Baxter Corporation will center around understanding what may play a role in the development of acute kidney injury (AKI) in critically ill patients and understanding how to effectively treat this specific patient population with continuous renal replacement therapy (CRRT).

*Facilitators: Richard Watt and Krupa Shah, Therapy Specialists, and Bev Ryan, Medical Scientific Liaison at Baxter Corporation*
