## PRESENTATION OPPORTUNITIES – CALL FOR ABSTRACTS

### Join us for the Canadian Critical Care Nursing Conference!

CACCN has been actively providing critical care education for 40 years!

We come together each year at the Canadian Critical Care Nursing Conference (formerly Dynamics of Critical Care) to **REimagine**, **REdefine**, and **REinspire** ourselves, our careers, our colleagues and nursing in Canada.

The conference allows you to share and learn the latest on a multitude of topics, and to hone your skills both clinical and professional through Fast & Focused, Concurrent, Mastery, Plenary and Poster presentations. This national event also provides an excellent opportunity to network with nurses and interprofessional colleagues from across the country and abroad.

Come rekindle friendships, start new friendships, share ideas and have fun!
