INVEST IN IMPROVED HEALTH OUTCOMES YOUR CAREER CONTINUING EDUCATION

The SickKids Advanced Cardiology Education (ACE) Program equips healthcare professionals with cutting-edge technical, cognitive, collaborative, and empathetic skills essential for providing optimal care to children with heart disease.

Distinguished from conventional paediatric cardiology continuing medical education initiatives, this accredited program features a comprehensive 33-week curriculum with an opportunity to earn 200 learning credits and an Advanced Accredited Certificate of Completion.

Livestreamed webinars take place every Friday from 9 a.m. to 4:30 p.m. Eastern Time and are conveniently recorded for on-demand review.
