

Research Opportunity for ICU/ER/CC Transport Nurses

OBJECTIVE:

The purpose of this survey is to examine factors which influence the intent to stay of nurses working in critical or intensive care, emergency or critical care transport.

ELIGIBILITY CRITERIA:

Any full or part-time ICU, CCU, CVICU, PICU, ER or Critical Care Transport Registered Nurses. Casual or per diem nurses are not included in this study.

WHAT YOU WOULD HAVE TO DO: This research consists of a single online survey that will take approximately 20 - 30 minutes to complete. Responses are anonymous.

CONSENT AND ETHICS: This study has HREB approval from Mount Royal University #104567. Consent is implied with completion of the survey. No identifying information is collected so your responses cannot be removed after submitting the study.
