SHARING EXPERTISE

Marianne Rowland

Thorndale, ON

Nominated by Paula North

...Ms. Rowland exemplifies CACCN standard 1 by being accountable for her own practice by ensuring she always completes thorough and systematic head to toe assessments of her patients within the CCU...

Ms. Rowland always advocates for the highest quality of care on behalf of her patient, providing interventions in a safe and patient focused environment...

...Marianne exhibits a strong passion for critical care as a vital service and this is evident through her desire to pursue excellence in her own practice, her commitment to continuous learning, and through her mentorship and guidance of others in the critical care environment...

INNOVATIVE PROJECT AWARD

**Presented to a critical care nurse
or group of critical care nurses
who develop a project that will
enhance their professional
development.**

1ST PLACE

\$ 1,000

Angie Grewal and Colleagues

Edmonton, AB

Project: Enhancing Family-Centered Care in the Intensive Care Unit (ICU): Assessing the Needs of Caregivers for Improved Patient and Family Outcomes

This practicum project addresses the gap in recognizing and assessing ICU families as caregivers.

CRITICAL
CARE
NURSES**

Mary Elsin Abuel-Kuijpers

Brandon, MB

Project: Discover the world of the intensive care unit (ICU) - Is it a strange world?

The theme is adapted from Disney's animated, science fiction movie entitled Strange World.

The room will be divided into each body system with props and aesthetics to represent each system. It will be an interactive setup with simulation and activities in each body system.

**CACCN
CHASING
EXCELLENCE**
\$1,000

**Presented to a
critical care nurse who
consistently demonstrates
excellence in
critical care nursing
practice.**

Marianne Rowland

Thorndale, ON

Nominated by Paula North

Marianne actively participates in collaborative practices within the hospital through participation in various committees and by using evidenced based practices...advocates for change to ensure high quality consistent care is provided across the organization and our collaborative community partners.

Marianne is a highly motivated and passionate individual who seeks every opportunity to further her learning to support and advance her practice as a critical care nurse.
