2024 Exhibitors!

The Canadian Journal of
Critical Care Nursing

Thank you for your support!

Why should you exhibit?

CACCN has been fortunate to host exhibitors and sponsors and offer well-structured exhibit halls for breaks/lunch. Some of our exhibitors have been with us for well over 40 years!

Year after year, our exhibit partners express that the CACCN conference is a must attend event.

The CCNC provides the opportunity to educate delegates in person in the exhibit hall during the day, through Plenary and Concurrent Sessions. Exhibitors may also share product information via the delegate bag.

Dedicated exhibit hours provide our exhibitors and sponsors with the opportunity to interact with delegates, sharing information, practice and products.

Although offering dedicated exhibit hours, the hall is also open throughout the day September 29 and 30 for delegates to visit at a more leisurely pace.
